How would you describe your personality? Sincere, kind and fun. Very devoted. I have strong way of thinking. But it is about basic things as a person.

Is there anything about you that your future partner would want to know before becoming involved with you?  Yes  No  
I'm looking for a person who is living in Japan or going to move to Japan. I will be able to relocate overseas in 5 years or so. But it is difficult for now. I'd like to meet a person who understands my current situation.

What are your hopes and plans for the future? I hope we can love each other from our heart. I have a plan of traveling all over the world together. But not about many other things.

What message would you like to send to your future spouse? Nice to see you. I'm a peaceful person. And cheerful and funny. I'm maintaining beauty and good health since I was modeling when I was young. I'm looking for the last reliable partner in my life. Let's get happiness together!
