What is most important to you? Perfect harmony in a loving/trusting relationship, caring for/respect for each other. Manners and consideration know distance.

What countries have you been to? Taiwan, France

Is there anything about you that your future partner would want to know before becoming involved with you?  Yes  No --- I believe that being together also means that we will face and overcome obstacles together. For understanding each other well, I think caring each other is important especially when we have some difficulty. When I get some more ability of English, I'm positive about living overseas. Please teach me when we have chance.

What are your hopes and plans for the future? I'd like to find a special person who can share happiness and hardships with each other. It'll be nice if we have chemistry. I'd like to have some good food, wine, music, beautiful nature and blessed time with my loved one.

What message would you like to send to your future spouse? I'd like to encounter someone whom I will love his smile even in his 70s/80s/90s! As Nietzsche's saying, I'd like to have a talk with some tea peacefully however old we become. Where is my precious one?
