Do you want children someday? Yes No

Do you already have children? Yes No

Do you smoke? Yes No

How would you describe your personality? I have opened mind with others, and i m challenging person.

What is most important to you? Sharing thoughts and mind. Try to have understandings even though there have differences in terms of culture and thinking. Most important is to smile always and easy mind.

What countries have you been to? I explored most of South east Asia countries since i moved to Singapore. I visited Europe and America as well.

Is there anything about you that your future partner would want to know before becoming involved with you? Yes No --- I like getting to know new things, interacting others to know different cultures. That really valuable in my life. I want to continue my endeavours in my life with someone whom i m able to respect and enjoy with smile.

What are your hopes and plans for the future? Staying overseas is preferred for me (but my future husband opts for living in Japan is also fine!). I would like to establish new family, and support future husband and kids.

What message would you like to send to your future spouse? Hi, i have been waiting someone who will share the life with me! I am very opened mind but still typical Japanese (I guess!) Looking forward to meet someone :)
