How would you describe your personality? I'm very curious. My friends often says I love daydreaming just like "Anne of Green Gables", straightforward, not sustained anger, laid-back. Then a bit innocent and talkative.

What is most important to you? Not to leave the feeling strange as it is, for loving the thing or the person I decided to love once. For example, if I feel I can't have good communication with my partner, I'll try to talk to convincing each other.

What countries have you been to? China, Vietnam, Thailand, Australia, Hawaii

Is there anything about you that your future partner would want to know before becoming involved with you?  Yes  No  
I hope to live outside of Japan in the future!

What are your hopes and plans for the future? To make my career as a video-game planner and a scenario writer, and enjoy my life as an adventurous one with my warm family. If I have a child, I want to tell him or her "You are the freest in the world!".

What message would you like to send to your future spouse? I'm looking forward to know what kind of person you are, and meet you! Thank you for reading my profile.
