Do you smoke? Yes No

How would you describe your personality? Caring, gentle, having consideration for others, honest. A little old-fashioned (trying to keep balance between old and new ways of thought), easy to get along with.

What is most important to you? Relationship with trust. Enjoying our lives together by support, help & understand each other with my partner. Creating an environment where we're always being filled with laughter. (Sometimes it needs effort)

What countries have you been to? USA, UK, Canada, Australia, Thailand, Taiwan, Germany, Switzerland, France, Austria

Is there anything about you that your future partner would want to know before becoming involved with you? Yes No

What are your hopes and plans for the future? Spending the rest of my life happily with my lifetime partner. I'd like to live in your country, too, but for understanding Japan, if we can live in Japan, too, I'll surely be happy.

What message would you like to send to your future spouse? I'm very much looking forward to meeting my future partner. Let's establish a good relationship together. A man who is interested in Japanese culture, is studying Japanese, would be ideal. I would love us to teach each other our own cultures and language.
