Is there anything about you that your future partner would want to know before becoming involved with you? Yes No -- I experienced a divorce and bereavement. My eldest son is autistic. He is still a minor, so I need to take care of him now. I cannot move to your country right away. I welcome partner who can live in

Japan for another three years until my son gets a job! In the future, I would like to leave Japan and move to my partner's country or a clean and safe country. I married at the age of 27 and lost my husband right away. I kept working hard on my own to raise my children. I have had a very hard time financially. I want to spend the rest of my life with loving partner with stable income. I am looking for a kind partner who doesn't care about the economic power of a female partner, doesn't discriminate against disabled people, or doesn't discriminate against race. And I want to take care of my partner with deep love and affection.

What are your hopes and plans for the future? I want to share a lot of things. Two want to go on a trip. Two want to drink alcohol. Two want to go shopping. Two want to watch DVD wrapped in a piece of blanket.

What message would you like to send to your future spouse? Please deeply love me. I also love you deeply.
