As a dog lover, I have two Miniature Schnauzers. I usually keep it as an indoor dog, so I would like to ask for your consent to keep it in the house even after moving to your country. If possible, I would like to open a dog clothes class, a Japanese language class, a cooking class, etc. at your home.

What are your hopes and plans for the future? I would like to open a dog clothes class, a Japanese language class, a cooking class, etc. at my new partner's home. Furthermore, when my two dogs go to heaven, I would like to travel around the world with a new partner.

What message would you like to send to your future spouse? I would like to spend the rest of my life with a new partner. And more important is the present and the future than the past. I believe that traveling and experiencing with my partner can help us build bonds.
