Do you want children someday? Yes No

Do you already have children? Yes No

Do you smoke? Yes No

How would you describe your personality? Cheerful and positive. Usually, I need company. But I also value a lot the time I spend by myself. I think I'm devoted. I can feel a lot of happiness when people around me are happy.

What is most important to you? Consideration for others, love, the people around me (like family and friends)

What countries have you been to? France, UK, Italy, USA, Australia, NZ, Thailand, Bali, China

Is there anything about you that your future partner would want to know before becoming involved with you? Yes No — I greatly value consideration for each. I'm seeking a relationship in which we can respect and improve each other. I'm studying English and French, but need more time. So, I hope to meet someone who can handle even a little Japanese. I'd be very happy if you like Japanese culture and Japan. I like animals and children.

What are your hopes and plans for the future? I'd like to talk a lot with my future partner and spend days in an ideal environment. I don't mind where we live. I can do the same job in any country of the world. It's okay to live in Japan or overseas. I hope to continue my current job even for a short period. Still, I'll put top priority on my family.

What message would you like to send to your future spouse? I'm seriously looking for someone who can walk the path of our life together in the future. I hope to love just you and be loved by only you forever. Best regards...
