Is there anything about you that your future partner would want to know before becoming involved with you? Yes No
I'm in an important position in my company and often I put first priority on my job. I'm not certain whether foreigners will understand this approach. However, in the future, I'd like to value my private time first.

What are your hopes and plans for the future? Not only in Japan, but also overseas, I'd like to experience a variety of things in life and broaden my knowledge. At the same time, I'd like to re-discover the good points of Japan through those experiences. Then, I hope I can try to have a job which convey those good points to foreigners.

What message would you like to send to your future spouse? Finally, I'd like find my soul mate, despite the differences in countries and cultures. I'd like to live life with feelings of calmly passing time and slowly by being filled with your great patience.
