Do you already have children? Yes No — a 26 yrs old single son,
living independently

How would you describe your personality? I am faithful, sensitive, straight forward,
honest and have sense of humor. I am not kind of person who say one thing but think
opposite in mind.

What is most important to you? Trust and Hope

What countries have you been to? USA, Canada, Mexico, Scandinavian countries,
Soviet Union(80's), Italy, France, Vietnam, Thai, Taiwan, South Korea, Greece, UAE,
Australia

Is there anything about you that your future partner would want to know before becoming
involved with you? Yes No --- I have experienced living in US in both big city and small town and visited many
countries, so I am very positive that I can adjust myself living abroad.

What are your hopes and plans for the future? Find my soulmate who can share, needless to say, happiness and joy, but also
suffering or pain if any. I really would like to share each other's life and will get older together. I also would like to travel with him.
I just wish to have loving husband who loves me that I can devote to and enjoy life together.

What message would you like to send to your future spouse? I surely am looking for my last partner. More than half of my life
was over and unfortunately not yet reached to eternal relationship. Hope to meet him here, building trust and laugh together. If you
find some common, please contact me, we may have the best chemistry!
